TERMS AND CONDITIONS FOR SERCS MANAGEMENT SYSTEM:

Scope of Services:

The SERCS Management System includes software development, installation, configuration, and initial training.

Payment Terms:

A down payment of 50% is required upon acceptance of this quotation.

The remaining 50% shall be settled upon completion and acceptance of the system but before deployment.

Delivery and Installation:

Delivery and installation will be scheduled upon both parties agreed date.

The client is responsible for providing necessary information, infrastructure and hardware components as per system requirements.

Training:

Initial training for system usage will be provided upon installation.

Additional training sessions can be arranged upon request, subject to additional charges.

Customization:

Any additional customization or feature requests beyond the scope of this quotation may incur extra charges.

Support and Maintenance:

Basic support and bug fixes will be provided for a period of three months after system deployment.

Extended support and maintenance can be availed through a separate service agreement.

Ownership and License:

The client will own the license for the SERCS Management System upon full payment.

Unauthorized distribution or reproduction of the software is strictly prohibited.

Data Security:

The system will adhere to industry-standard security protocols.

The client is responsible for ensuring the confidentiality and security of their data.

Changes and Modifications:

Any changes or modifications to the system must be formally requested and may incur additional charges.

Termination:

Either party may terminate the agreement with written notice if the other party breaches any material term and fails to remedy the breach within 30 days.

Force Majeure:

Neither party shall be liable for any delay or failure in performance caused by circumstances beyond their control.

Confidentiality:

Both parties agree to treat all non-public information received from the other party as confidential and to take all reasonable precautions to prevent unauthorized disclosure.

Duration of Service:

The free web hosting service is provided for a period of one year from the date of activation. After this period, the Client may choose to continue with paid services or terminate the hosting agreement.

Client Responsibilities:

The Client is responsible for maintaining the security of their website, including passwords and access credentials, agrees not to engage in any illegal or unethical activities, and responsible for regular backups of their website content.

Entire Agreement:

This document constitutes the entire agreement between the parties and supersedes all prior negotiations and understandings.

By accepting this quotation, the client agrees to abide by these terms and conditions.
